The 7-Day Proposal Follow-Up

Most proposals don't get a no. They get silence. Send the proposal within one business day with what's not included written down, then three short messages in seven days. After that a person takes over, and every deal ends with a decision or a reason.

The timeline

WHEN	CHANNEL	WHAT GOES OUT
Day 0	Email + WhatsApp	The proposal, within one business day of the call, with the link to book the review call inside it
Day 1	WhatsApp	A short note: did it arrive, and is a review call worth booking
Day 3	Email	One piece of proof from a real client, close to their situation
Day 7	WhatsApp	"Should I keep your proposal open, or is now not the right time? Either answer is fine."
Day 8	Your CRM	No booking and no decision: the deal moves to Follow-Up
Follow-Up	Call or voice note	Twice a week for two weeks, by a person, not an automation
After 2 weeks	Your CRM	Still no decision after two weeks in Follow-Up: the deal moves to nurture

The Follow-Up rules

TOUCH	WHEN	WHO
1	The day the deal enters Follow-Up	The deal owner, by call or voice note
2	3 days later	Same person
3	7 days in	Same person
4	10 days in	Same person, then decide: proposal open or nurture

A reply stops the chasing

Any reply ends the sequence and a person takes over. "STOP" on any channel ends every message for good. WhatsApp goes only between 8am and 8pm in their time zone.

The three messages

DAY 1 · WHATSAPP

Hi `{first_name}`, the proposal is in your inbox. If it's worth a walk-through, the review call link is inside. [One line on the one stage you agreed to fix first]

DAY 3 · EMAIL

Subject: [Their goal]
Hi `{first_name}`, one example close to yours: [a real client, where they started, what was built, what changed, with the period]. The review call link is in your proposal.

DAY 7 · WHATSAPP

Hi `{first_name}`, should I keep your proposal open, or is now not the right time? Either answer is fine. If you want to go through it, book here: `{review_call_link}`

The lost-reason log

REASON	WHERE THE DEAL GOES	DEALS THIS MONTH
Price	Closed lost. Note what they compared it with.	
Timing	Nurture, not the bin. They may be ready later.	
Competitor	Closed lost. Note who and why.	
Not a fit	Closed lost. Check the booking questions caught it.	

Never

- [ ] Invent a deadline, a discount or a guarantee to get a yes.
- [ ] Send a proposal without the review call link inside it.
- [ ] Leave a deal in Proposal Sent with no date on the next step.
